Frontend Course Follow-Up

Course Structure & Guidelines.

- **Start Date:**
- **Sessions:** *Weekly, scheduled by each team (2 sessions per week).*
- **Duration:** *Maximum of **2 hours per session**.*
- **Platform:** *Live on **Google Meet**, recorded for future reference.*
- **Recording Policy:**
  - *Theoretical sessions can be pre-recorded (NOT LIVE).*
  - *Practical sessions will be live and recorded for review.*

📚 Learning & Content Management

- **Google Classroom:**
  - *Used for extra resources, task submissions, projects, and announcements.*
  - *Ensure all updates, assignments, and materials are available on time.*
- **Course Progression:**
  - *Courses are divided into **5 levels**, each granting a certificate upon completion.*
  - *Level 5 completion earns a **Full Course Certificate**.*
- **Assessments & Projects:**

- Each level will have mandatory mini-projects or assessments to ensure progress.
- No certification will be issued without completing required assessments & Projects.

💬 Communication & Community Rules

- **WhatsApp Groups:**
  - Main communication channel for all participants.
  - No additional groups are allowed—only official track groups.
  - Keep discussions **relevant** and professional.
- **Respect & Professionalism:**
  - Maintain a supportive environment.
  - Disrespectful behavior will not be tolerated.
  - Avoid spamming or off-topic discussions in course groups.

🚀 Participation & Engagement

- **Attendance & Commitment:**
  - Must achieve at least **70% attendance** to receive a certificate.
  - Active participation is required to qualify for certificates.
- **Interactive Sessions:**
  - Live sessions should encourage participation—questions, discussions, and problem-solving activities.
  - Use breakout rooms or group exercises where applicable.
- **Office Hours & Support:**
  - Dedicated time slots may be provided for Q&A or extra support.

🎓 Certification & Progress Tracking

- **Leaderboard & Recognition:**
  - *Active and outstanding learners may receive special mentions, badges, or opportunities for further mentorship.*

🎯 *Success Stories Requirement*

Each course group must produce at least **two success stories** by the end of the course. These can be:

- 💼 **Career Advancement:** *A participant lands an internship, freelance gig, or full-time job using skills gained from the course.*
- 🏆 **Competition Recognition:** *A learner participates in a hackathon, coding challenge, or competition and wins or ranks highly.*
- 🚀 **Startup or Project Launch:** *Someone builds and launches a real-world project, startup, or open-source tool based on what they learned.*
- 🎤 **Public Speaking & Leadership:** *A participant gives a talk, leads a workshop, or mentors others in the community.*
- 📜 **Certifications & Achievements:** *Someone earns a globally recognized certification or completes an advanced-level program after the course.*
- **Skills:** *A participant who significantly improved their skills and applied them in a project or internship.*
- *A participant said that his life has changed because of this course.*

NOTE: IT WILL BE PUBLISHED ON THE OFFICIAL GOOGLE WEBSITE!
